Dear Sir,

OFFICE OF THE MINISTER FOR AGRICULTURE
No. A-107
28 APR 1959
BANGALORE

Sub: Petition dated 1-12-58 of the Bovis of Ranganathapura Colony, praying for grant of forest land near Kalenahalli Plantation, Shikaripur Taluk.

As per instructions of Hon'ble Minister for Forest and Agriculture, during his recent tour in the Shimoga District, I inspected Kalenhalli Plantation area on 22nd April 1959, in company with the District Forest Officer, Sagar, when the following persons were also present:

MYSORE GOVERNMENT SECRETARIAT
NO. 409-2
29 APR 1959
390 DST 58
FOREST BRANCH

1) Sri K. Hanumantha Reddy of Shikaripur.
2) Sri Kottada Kenchappa.
3) Sri E. Obalappa of Shikaripur.
4) Sri Angadi Halappa of Kalenahalli.
5) Sri Nagappa of Kalenhalli.
6) Sri V.P.Chairman and other villagers.

My findings are as follows:

1) According to notification No. A.F.2504/Ft.39-52-2 dated 19th June 1952, Government have already sanctioned disafforestation of 319 acres, out of 480 acres of Kalenahalli Plantation, for being given out for cultivation.

2) The Revenue authorities have already granted lands out of the disafforested area of 319 acres and some of the grantees have made encroachments in the remaining extent of 161 acres of Kalenahalli Plantation. Jakkinakoppada Doddiah and six others have also unauthorisedly cultivated some area (about 14 acres) under the mistaken impression that this was the area granted to them in S.No. 58 of Gabbur village during 1948-49, by the Revenue Department.

Grants of 14 acres of land may be regularised according to rules.

3) The Bovi community of Ranganathapura village and others of Shikaripur have unauthorisedly cleared some areas recently, but they have not yet been brought under cultivation.

Action against those who cleared the forest unauthorisedly may be taken early & no further such encroachments should be allowed.

4) An area of about 50 acres contains some 20 year old teak and sandal. The former is, however, ~~is~~ stunted and scattered.

Plantation area should not be allowed to be tampered with.

P.T.O.

The residents of Kalenahalli village also represented that adequate area should be reserved for them as gomal, as they have no alternate grazing ground.

6. It is not possible to decide how much of the remaining extent can be further disafforested and released to the Revenue Department for being disposed of to the Bovi communities etc. for cultivation, until the existing plantation area is got surveyed in detail.

7 The District Forest Officer, Working Plans and Forest Surveys, Bangalore Division, Bangalore who was also present at the time of joint inspection of the area, has been requested to depute a Forest Surveyor immediately to the spot, to survey the area and furnish a map showing the details of areas already disafforested, encroachments and the position of the Teak Plantation etc.

This may be awaited.

8 I shall revert to the subject after the area is surveyed and the map is received.

9 I request that the Hon'ble Minister may kindly be apprised of the action taken by me.

Yours sincerely,

Sir,

We beg to state that we are given an endorsement by the Deputy Secretary, to Govt, Agri & Forest Dept. in his No.AFD 390 DST 58/2-4-59 that the land in Reserved Forest near Kalenahalli cannot be granted to us for cultivation. We request your Honour to kindly see the spot personally and be pleased to order.

In this connection we beg to state as follows. It is already 11 years since the peoples Govt. has come in to existance Many people are benefited. But to our ill-luck we are not given any facility. When the Revenue Minister visited our colony about 3½ years back he was pleased to promise us that our request for grant of land will be granted. We are living by cooly. We request you to kindly see personally and help us. There is nearly 80 acres of reserve land in Kalenahalli, Shikaripur Tq. This is called as Resreved Forest only for the name sake. There are no big trees on the other hand there are only shrubs, date trees etc. In that area many landless people have cut. On all side there is cultivated land and in the middle nearly 100 acres is left as plantation which is not good. When the previous Agricultural Minister Sri.H.S.Rudrappa was pleased to visit our colony with other leading people he was pleased to say that he would order for the release. We are repeatedly requesting the Govt. eversince the year 1952. But we are not given any land.

Sir,

W/c

Peoples Govt. is established in 1947. The Govt. is giving many facilities for the up lift of the Backward people. But we regret to say that there is no one to ask the welfare of our 16 Bovi families here. We are living by cooly such as, masonary, earth & mud work. The income we get by it is insufficient to pull on with our livelyhood. It has not possible to educate our children. Inspite of our repeated requests to Govt. we are not given even an inch of land. We do not know what sin we have committed.

Report maybe called for from C.F. Now 15/5 MA&F)

As per our repeated requests since last 7-8 years to order for the release of 60 acres which is clean in S.No.34(Forest) in Kalenahalli village, Shikaripur Tq. during your visit you were pleased to assure on 19-4-59 to order for the release of the land Accordingly on 21, and 22 the Conservator of Forests visited the spot and assured to order to release the land that is cultivated since 10 years and also the land that is cut since 1956 and made ready to sow. Also the forest Surveyor has surveyed the land & forest and fixed boundary stones. In anticipation of getting 2 acres of land per family as others, we with great difficulty have brought the land in the way to sow out of cooly earned with hard work.

Sec A&L

V.S 4/1915

We humbly request your Honour to kindly sanction us 2 acres of land per family - to the 16 or 17 families of ours out of the above Survey No. by giving first preference to us and kindly order immediately for the release of the Forest, as per new rules, and protect our poor families. We have sent our applications & Darakhast applications to the Honourable Minister for Rural welfare for kind perusal.

(p.t.o.)

During your kind regin, we once again request you to kindly order for the release of the forest, and help us in all way. We hope you will kindly order with view of phylonthropical and sympathetical. We hope you will give first preference to this.

We humbly pray for an endorsement in the matter.

Copy of D.O. letter No.M187-858/58-59 dated 234-59 from the Conservator of Forests, Shimoga Circle, to the Chief Conservator of Forests in Mysore, Bangalore.

Sub:- Petition dated 1-12-58 of the Bovis of Ranganathapura Colony, praying for grant of forest land near Kalenahalli Plantation, Shikaripur taluk.

....

As per instructions of Hon'ble Minister for Forest and Agriculture during his recent tour in the Shimoga District, I inspected Kalenahalli plantation area on 22nd April 59, in company with the District Forest Officer, Sagar, when the following persons were also present.

1) Sri.K.Hanumanthappa Reddy of Shikaripur
2) " Kottada Kenchappa.
3) " E.Obalappa of Shikaripur.
4) " Angadi Halappa of Kalenhalli.
5) " Nagappa of Kalenhalli.
6) " V.P.Chairman and other villagers.

My findings are as follows;

According to notification No.AF.25=4/Ft.39-52-2 dated 19-6-52, Government have already sanctioned disafforestation of 319 acres, out of 480 acres of Kalenahalli plantation, for being given out for cultivation.

The revenue authorities have already granted lands out of the disafforested area of 319 acres and some of the grantees have made encroachments in the remaining extent of 161 acres of Kalenahalli Plantation. Sri.Jakkigakoppada Doddiah and six others have also unauthorisedly cultivated some area)(about 14 acres) under the mistaken impression that this was the area granted to them in S. No. 58 Gabbur village during 1948-49, by the Revenue Department.

The Bovi Community of Ranganathapura village and others of Shikaripur have unauthorisedly cleared some areas recently, but they have not yet been brought under cultivation.

An area of about 50 acres contains some 20 year old teak and sandal. The former, is however, stunted and scattered.

The residents of Kalenahalli village also represents that adequate area should be reserved for ther as goral as they have no alternate grazing ground.

It is not possible to decide how much of the remaining extant can be further disafforested and released to the Revenue Department for being disposed of to the Bovi Communities etc., for cultivation, until the existing plantation area is got surveyed, in detail.

The District Forest Officer, working plans and Forest surveys, Bangalore Division, Bangabre who was also present at the time of joint inspection of the area, has been requested to depute a Forest Surveyor irrediately to the spot, to survey the area and furnish a map showing the details of areas already disafforested, encroachments ad the position of the Teak plantation etc.

I shall revert to the subject after after the area is surveyed and the map is received.

I request that the Hon'ble Minister may kindly be apprised of the action taken by me.
